The objectives of the OKLAHOMA EMERGENCY MANAGEMENT ASSOCIATION are to: Assist local, state, federal and tribal governments in the establishment and maintenance of Civil Defense and an effective element of national defense, and Emergency Management as an organizational structure by which local government can best mitigate, prepare for, respond to and recover from all major disasters, and Through research, legislative review and input, information exchange and educational programs, to advance the professional standards and capabilities of persons engaged in these activities.

Within these objectives, The OEMA has as its purposes: To establish a process for review and to comment on relevant legislation, To establish a coordinated emergency and resource information network between public and private organizations, To establish standards for effective training and education programs in order to increase the management and technical competence of individuals professionally engaged in Emergency Management and Civil Defense programs and activities.

Transfer of Membership

Should a member's emergency management duties, responsibilities or assignment change and another person be assigned in their place, membership may be transferred to the incoming person for the remainder of the one-year membership period. A written request for membership transfer shall be provided to the Executive Board on letterhead from the involved governmental agency, office or department, documenting the change in duties, position or assignment. Article 4, Section VI of OEMA By Laws.
